

Virtual Facilitation Online

COURSE DESCRIPTION

Learn to lead engaging online meetings that elicit innovative thinking and creative problem-solving.

- Gain competency leading virtual meetings with Adobe Connect, and ToP Focused Conversation.
- Build your confidence as a virtual facilitator.
- Learn tools and techniques for eliciting participation, virtual meeting design, and five best practices.

LEARNING OBJECTIVES

To develop basic skills essential to virtual facilitation, including how to use tested and proven collaboration tools:

- Adobe Connect -- a flexible virtual collaboration platform where participants can build engaging meetings through the use of electronic sticky walls, virtual breakout rooms, and a variety of pods that elicit participation.
- Basecamp -- a lightweight, web-based collaboration and productivity platform. Members can post messages, share links, share any kind of file, add events to a calendar, and assign tasks. Basecamp notifies members via the site and email when activity occurs in their groups.

WHO SHOULD ATTEND THIS COURSE?
